# Rules for the classroom

## Secondary education

We can return to school safely, if everyone follows these rules:

**Always keep a distance of 1.5 meters:**

- between pupils and staff
- between staff.

**Please wash your hands before entering.**

**Ventilate the classroom on a regular basis for 10-15 minutes by opening windows and doors on opposite sides of the room.**

- If there is building-related ventilation: set it to the maximum position.

**Teachers clean their own tables (workstation and equipment) by entering and leaving the classroom.**

**Students should be 1.5 meters apart from the teacher.**

**alleen samen krijgen we  
corona onder controle**

*Only together we can beat corona*
